PRESENTS TALES FOR THE

Cabinet of Curiosity

Calling all young storytellers:
your library needs you!

Come breathe life into The Cabinet of Curiosity, and help to dust away its cobwebs and fill its shelves with new stories. Young library dwellers are also invited to leave their own tale for the Cabinet of Curiosity. Whilst the cabinet tours your local library secretly leave your story and you may even **win a prize!**

Created in collaboration with **Emergency Exit Arts**, **Tales for the Cabinet of Curiosity** is an interactive workshop in object-based storytelling that promises to get your imagination flying.

Tales for the Cabinet of Curiosity is part of a series of **FREE** workshops, performances, and author readings at Haringey libraries in the build-up to Biblio-Buzz: Alexandra Palace's Children's Book Award, 29-30 March 2020.
